Subject: VB/I-70 - OU2 DRAFT Administrative Order on Consent & Action Memo

Lisa – Richard sent these documents to the city in early October and we haven't heard anything from the City on when you wish to meet to discuss them. As we get closer to the holidays around here, more staff are out of the office using up their annual leave before the end of the year. Please let us know when the City would like to meet. Thank you.

Paula Schmittdiel
